

Range of the Series		
Output Voltage	Output Current	Output Power
3.0V - 24.0V	0.1A - 1.5A	7.5W max.

Remarks :-

- 1.) Input Voltage : AC 100-240V 50/60Hz
- 2.) Approved safety standard : cETLus / FCC / GS / CE / EMC / CCC
- 3.) Output type : USB socket or cable
- 4.) For any further inquires about the safety approvals, output voltage or current, please feel free to contact our sales representative
